

In this time of the COVID-19 pandemic, Hitachi Cable America is taking necessary precautions to keep our people safe and healthy while remaining open for business. Where possible, employees are working remotely and we have established protocols for those in our Manchester, NH manufacturing facility. Hitachi Cable America is maintaining a normal operating schedule. Cable continues to be manufactured and shipped to support our customers. We will continue to keep an eye on the ever changing environment and will keep our customers up to date if anything changes in the future.

Thank you for doing business with Hitachi Cable America.

Stephen L. Porach PE, RCDD

Director Business Strategy

Performance Cable Systems & Materials Division

Hitachi Cable America Inc.
