

**Attention JLG suppliers: JLG is urging our supply base to confirm continuity of supply by confirming you or your tiered supply base are not impacted by the following developing situation:**

Hubei Province - Updated reports indicate Jingzhou will be put on lockdown starting from 5 PM. Media sources are reporting that multiple cities have been placed on lockdown throughout Hubei province due to the ongoing coronavirus outbreak. Affected cities include: - Wuhan - Huanggang - Ezhou, - Chibi, - Xiantao, - Qianjiang, - Zhijiang - Lichuan - Jingzhou The outbreak initially began in Wuhan. The lockdown includes the suspension of public transportation services including trains, buses, and ferries within the cities. With the most recent inclusion of Jingzhou, the lockdown is now reportedly affecting 35 million people. There are no current estimates for when the lockdowns are expected to be lifted
