

Dear Industry Partner:

The global impact of the COVID-19 virus is being taken very seriously at Kaddas Enterprises. We are working closely with our employees and business partners to maintain a safe and productive work environment while addressing any customer concerns.

We manufacture 100% of our products in the United States. Additionally, our raw materials are produced in the United States. We have not experienced any disruption to our supply chain, which allows us to continue to deliver the products that you need. We continue to work closely with our suppliers to understand the evolving developments and how they may impact future supply.

We will continue to actively monitor the COVID-19 situation and take necessary steps to help keep our communities safe.

Thank you for your continued support!

Natalie Kaddas
